### **LOAN SIZE**

The goal of the program is to help as many businesses as possible while creating/retaining the highest number of jobs possible. All other sources of financing, allowing for terms, collateral requirements and cost, will be proposed when available to reduce the amount needed of this fund before consideration of financing is made. The maximum loan amount to anyone borrower for RMAP funds, which would include any other RMAP lender, will not exceed \$50,000, subject to availability of funds, or seventy-five (75%) percent of the total project cost and the borrower must obtain at least twenty-five (25%) percent of the eligible project costs from non federal sources. For instance if the borrowers total project cost is \$50,000, they may request a loan of \$37,500 or 75% and then the borrower must come up with the other \$12,500 or 25%.

### **BORROWER MATCH**

Borrower will be required to provide 25% of the eligible project cost which may be provided in cash (including through fees, grants (including community development block grants), and gifts) or in the form of in kind contributions.

### **LOAN LIMITS**

NMDC has an aggregate loan limit of \$500,000.00 established for any one borrower or affiliates. Aggregate RMAP loan amount of \$50,000.00 to any one borrower.

### **COLLATERAL REQUIREMENTS**

Collateral will depend on the loan requested. Generally, any assets purchased with the loan proceeds will be taken as collateral. The collateral adequacy will be given proper analysis and consideration. Real property serving as security for loans to Borrowers will be appraised by a qualified appraiser. For all other types of property, a valuation shall be made using any recognized, standard technique for the type of property involved (including standard reference manuals), and this valuation shall be described in the loan file.

It has been the policy, and will continue with this program, to require the borrower to provide key person life insurance for the amount of the loan. Additionally, the need for personal assets to be pledged will be a consideration on a case by case basis. We believe that the business owners must demonstrate a commitment to the business in order to show a strong desire to reach its goals and objectives.

## **APPLICATION**

First, call a member of the Business Finance Department to determine if your business is or will be eligible. If determined eligible a member of the Business Finance Department will help you with the application and any additional information about your business and the ownership and management of the business needed to process your loan.
