

**NATIONAL FLOOD INSURANCE PROGRAM
BASIC FLOODPLAIN MANAGEMENT TOPICS
SEPTEMBER/NOVEMBER 2017**

The Maine Floodplain Management Program and FEMA Region 1 are pleased to sponsor a full day training workshop for local code officials that will be comprised of basic floodplain management topics. Most code officials have responsibility for issuing permits, enforcing the ordinance, or both, so a good working knowledge of these topics is critical to your success. Here are the topics we have planned:

- ✚ **Roles and Responsibilities/Local Permitting**
- ✚ **Floodplain Management Ordinance/Development Standards**
- ✚ **Understanding the FEMA Elevation Certificate**
- ✚ **Interpreting the Elevation Certificate/Group Exercise**
- ✚ **Substantial Improvement/Substantial Damage**
- ✚ **Dealing with Unnumbered A Zones**
- ✚ **Navigating the FEMA Map Service Center and ME DACF's On-line Flood Hazard Mapper**
As flood maps enter the digital age throughout the state, there are some good on-line tools available to help you.

Presenters:

Sue Baker, State NFIP Coordinator, ME Dept. of Agriculture, Conservation & Forestry
Karl Anderson, Floodplain Management Specialist, FEMA Region I, Boston

Dates and Locations:

Friday, November 17th, Northern Maine Development Commission, 11 Back St., Caribou

Wednesday, September 13th, Cumberland Town Office, 290 Tuttle Road, Cumberland

Thursday, September 14th, Hampden Public Safety Building, 106 Western Ave, Hampden

Code Enforcement Officers and Local Plumbing Inspectors that are certified in Land Use will earn six recertification credits for full day attendance. **Registration begins at 8:00. The session will run from 8:30 am - 3:30 pm.** Please return the completed registration form to the Floodplain Management Program **no later than Friday, September 8th, 2017.**

Please keep this announcement as a reminder of the training dates. You will not receive any further confirmation of your attendance.

If you have questions, please contact:

Janet Parker at 287-9981 or janet.parker@maine.gov or Sue Baker at 287-8063 or sue.baker@maine.gov

**REGISTRATION FORM
FLOODPLAIN MANAGEMENT TOPICS
SEPTEMBER 2017**

Name: _____

Street/PO Box: _____

City/Town: _____

E-mail Address: _____

Daytime phone number (in case of a change): _____

Municipality employed by: _____

Please check this box if this is a new address.

OR

____ I am not municipally employed as a code enforcement officer or local plumbing inspector and I understand a \$50.00 registration fee is required. Checks should be made payable to "Treasurer, State of Maine". Where space is limited, first preference will be given to municipally employed officials with floodplain management administration and/or enforcement responsibilities.

(Please choose one)

_____ Friday, November 17th, Northern Maine Development Commission, 11 Back St., Caribou

_____ Wednesday, September 13th, Cumberland Town Office, 290 Tuttle Road, Cumberland

_____ Thursday, September 14th, Hampden Public Safety Building, 106 Western Ave, Hampden
