

Request for Proposals

#2 Heating Fuel Oil & Delivery

for

Northern Maine Development Commission

October, 2020

OVERVIEW

Northern Maine Development Commission (NMDC) is soliciting #2 Heating Fuel delivery for a one-year period beginning October 19, 2020 and ending September 30, 2021. The selected Proposer would be responsible for all services associated with heating fuel delivery to 11 West Presque Isle Road in Caribou, ME. The Proposer would then be expected to execute an agreement for that timeframe with NMDC under the terms outlined in their proposal.

SCOPE OF SERVICES

When compiling proposals, the following is the Scope of Services expected to be provided:

- #2 Heating Fuel Delivery to 11 West Presque Isle Road in Caribou, ME
- Automatic Delivery & Tank Monitoring Services
- Employee Heating Fuel Program (NMDC pays and is reimbursed by employee)

REQUIRED DOCUMENTS

To constitute a complete proposal, the following documents must be submitted:

- Brief description of the individual/company and experience providing these services which provides assurance the Scope of Services listed above can be met.
- Cost Proposal Sheet (attached)
- Point of Contact Form (attached)

SELECTION CRITERIA

Proposals will be reviewed by the administrative staff at NMDC using the following criteria:

- Completeness of proposal, following the “Required Documents” bullets listed above
- Cost
- Ability to perform all services as outlined under “Scope of Services” section above

NMDC CONTACT

Inquiries regarding this proposal and award should be submitted to Judy Dinsmore via email at jdinsmore@nmdc.org or by written letter delivered to PO Box 779 Caribou, ME 04736.

PROPOSAL SUBMISSION

Proposals submitted to NMDC should be done in a **sealed 8 ½” x 11”** mailing envelope and are to either be dropped off in-person at the NMDC Office located at 11 West Presque Isle Road in Caribou, Maine or mailed to the following address:

Attn: Judy Dinsmore
Northern Maine Development Commission
PO Box 779
Caribou, ME 04736

All envelopes should include **“Heating Fuel Proposal”** written in the bottom left corner to ensure they are not accidentally opened. Failure to do so will result in any proposals without the proper notation that are accidentally opened being dismissed from consideration.

It is the responsibility of the Proposer to ensure any submissions reach NMDC prior to 3:00 PM on October 16, 2020 to ensure consideration. Proposals that are attempted to be dropped off after 3:00 PM will not be accepted, and any received by mail will be returned, unopened, to sender with the date and time of receipt marked on the outside of the envelope.

NMDC is not at fault and will not consider any bids delivered by carrier after the stated deadline.

LEGAL

NMDC reserves the right to reject any and all proposals and instead negotiate directly with a provider if no reviewed proposals are deemed better than what administrative staff conducting the review feel can be obtained through negotiation. In submitting a proposal, the Proposer agrees to enter into an agreement with NMDC for the services and timeframe outlined in the proposal if selected, including any quoted prices.

COST PROPOSAL SHEET

Please Type in All Fields

Proposed Tank Car Price, Per Gallon: \$ _____

Proposed Freight & Margin Cost, Per Gallon \$ _____

Proposed Total Cost, Per Gallon (Sum of Two Previous Lines)*: \$ _____

** Proposer may just enter a Proposed Total Cost, Per Gallon without filling previous lines out.*

By signing below, I affirm that the prices listed above are what will be charged to NMDC for the #2 Heating Fuel Oil & Delivery requested as outlined in this proposal for the period beginning October 19, 2020 and ending September 30, 2021. In the event of a successful proposal, these are the prices which will be carried over and reflected on a contract for the stated period. Any deviation from these prices at the contract stage will result in this proposal being considered null and void, releasing NMDC to execute a contract with another contractor for the services requested.
